December 2011

STILL THINKING OF THAT SPECIAL GIFT?

Still trying to finish off that Christmas list? How about a membership to the Club? Looking for that perfect stocking stuffer? There is nothing like a round card from St. Louis Skeet and Trap Club. Stop by or give us a call and finish your shopping with a bang.

SKEET NEWS

Fall 2011 Skeet League

The fall skeet league ended its eight-week run on November 20. Nearly 20 shooters braved the changing weather and the early sunsets. The complete results for the league can be found elsewhere on the website. The summary is that yours truly survived the competition to take top honors. Second place is claimed by Cap Kovarik and third place goes to Brian Hayek. We announced at the beginning of the league that we would Lewis Class the results. The Lewis Class winners are Dan Kovarik, Chris Waldow, John Wagenknecht and Randy Mullendore. We will endeavor to get your prize winnings to you as quickly as possible.

From the beginning of the spring league to the end of the fall league, we had league shooting for about nine months. Thanks to everyone who participated in this year's leagues. Look for information about skeet leagues in 2012. We will announce the date of the organizational meeting at the Club's annual meeting.

A FOND FAREWELL

This short newsletter is my last. I've enjoyed the last couple of years of keeping you up to date with events at the Club. But other duties call. I leave this space for another to fill.

If you are interested in helping with the newsletter, please contact a member of the Board.

Have a safe and joyful holiday season!

See you at the Club.

Rik Hafer
