### 5-STAND DERBY

Every Thursday night starting at about 4:30 the 5-stand derby gets going. The 5-stand is located on field 8 (on the lower level). It is challenging shooting and great camaraderie. Come on out and test your skills.

### SPORTING CLAYS

The warm weather makes the sporting clays course a pleasant walk interrupted by some great targets. Enjoy the verdant environs and give it a try: you'll be glad you did. And watch the calendar for upcoming shoots.

As we close out the spring league, I want to take a moment to once again thank Bob Rowlands for all of the work he has done over the past four years to keep track of your scores, post results and be there to help plan the league. I couldn't and wouldn't have done it without him. Thanks Bob.

Bob and I have hung up our league hats and turned over the league's reins to a new team. Beginning with the summer league, Rob Ondr and Brian Hayek will assume the duties of league managers.

Are you interested in participating in the summer league? If you have a team (minimum 5 shooters) or would like to shoot and don't mind being teamed up with others, contact Rob or Brian (their contact information can be obtained from Sonny Stone, Club Manager). There also is sign-up information posted at the Club. **The summer league begins July 6 and runs for 10 weeks.** The entry fee is \$40 per shooter.

On Sunday, July 17 the Club will once again host the 48<sup>th</sup> St. Louis Open Skeet Championship. This is an MSSA point shoot. The format will be 50 targets for each gauge plus doubles. The fee is \$17 per 50 targets, including fees. It is always a fun shoot, and it only takes one day! If you are interested, please contact shoot organizer Michael Rodney at [mrodney@sbcglobal.net](mailto:mrodney@sbcglobal.net) for more information or to RSVP.
