HALLOWEEN THREE-WAY A BLAST

That is the report from nearly everyone who participated in this fun shoot on Sunday, October 30. The shoot consisted of 50 skeet, 50 trap and 50 sporting clays. Following the shooting, the two-man teams were drawn while everyone enjoyed a bowl of chili (thanks to Mike Bolinger's better half), some desert and some good stories about pheasant hunting in states that actually have pheasants. The winning team was Mark Tompson and Mike Bolinger with a combined score of 255. Second place was a tie between the teams of Brien Koppe/Karl Schoenbeck and Bryan Hayek/John Napoli, both shooting a combined score of 250.

High scores on the individual disciplines were:

Skeet

Don Bryan and Rik Hafer (47)

Trap

Mike Bolinger and Brien Koppe (46)

Sporting clays

Brien Koppe (46)

Thanks to each and everyone who participated. And watch for news about another shoot in December.

SKEET NEWS

Fall 2011 Skeet League

The fall skeet league is about to end its eight-week run. The last day is Sunday, November 20. Watch for the league results in the December newsletter.

SPEAKING OF DECEMBER

Don't know what to get that special person in your life for the holidays? I am sure they would appreciate a rounds card, shells, vest or logo-emblazoned T-shirt from St. Louis Skeet and Trap club! Or better yet, why not a one-year membership? That gift will keep on giving for a whole year.

INFORMATION

Would you like to see something reported in the Newsletter? Have a good hunting story you'd like to share? Send it along (add some pictures if you can) and we will find space.

Have a safe and happy Thanksgiving.

See you at the Club!
